TMLRA President's Column for January 2009 SS

It's hard to believe that the State Championship matches are just around the corner. I know I am getting way out on a limb here but you have my personal guarantee that we will have better weather for the June shoot than Brady dealt us for the Frost on the Cactus shoot in March. That shoot is named appropriately. We had about thirty brave souls that registered and less than that actually made smoke. The weather broke about mid-day on Sunday and it was really nice for the awards. Imagine that!

Most of the membership is aware that we lost two great shooters this year. For those who didn't get the news, it is with much regret that I tell you we lost Shirle Leggett and Rex Snelling on January 30. Both were great people and outstanding competitors. Shirle and Rex both served on the TMLRA Board of Directors for several terms and the kind of folks who made this association the type of organization it is. Shirle and Rex were both fierce competitors at Brady and on the National level. They always represented Texas well. They will be missed but never forgotten. I'll meet you at the Memorial Volley on Sunday morning.

So far all is well regarding the City of Brady and it appears things are settling down a bit as we get adjusted to the new arrangement with the City. Bottom line is, we still have a place to shoot. The Lake Store Manager, who is responsible for all activities at the lake including the range, is trying to do us a good job. He is willing to listen and to do whatever we need them to do, we just need to train him some on what we need or expect out there. I called him prior to the March shoot and asked them to mow the range and they did. It looked really good even if it was to cold to shoot. The restrooms were opened up to the public for a while but he locked them as he found the public was abusing

them. He told me he planned only to open the restrooms when there is a shooting event held at the range. I think if we have a little patience on this, things will start to come back around for us. Can't harp enough about doing everything possible to minimize ricochets. The sand has helped but we still hear a few zingers. We need for shooters to post the targets high enough on the frames to at least be level with the barrel in whatever position your firing in. This should reduce the zingers even more. One round over the spillway burm is too many.

The Board of Directors will meet Friday, June 12th at the Brady Chamber of Commerce – 6:30 PM. The TMLRA General Membership meeting will be held at the range house, Saturday June 13th immediately following the last relay. This is your organization so this is your opportunity to have some input on how TMLRA operates. We will be electing 5 new directors and take care of the business affairs of your association. We plan on having the catered BBQ immediately following the membership meeting so be extra nice to cook in the family so she will fix some sweet goodies to chase the BBQ with.

A little reminder that we will have sign up sheets in the range house for help with the range officer duties as well as helping out in the range house. Even though Andy and Bonnie have accepted the responsibilities for these two positions, they like to shoot too. We don't operate with a paid staff here so we ask that you give a little time out of the week to help out. The point is, we don't want to wear the same folks plum out because they can't participate or get some relief during the shoot. Remember to check in at the lake store if you have a RV when you get to the shoot as they are handling the camping fees now. Looking forward to a great State Championship shoot and seeing all of you there. Start gathering up all the stuff and plan on being at Brady for the big one!

See you on the Line!

Editors Column

Well the 61st Annual TMLRA Championship Shoot is almost upon us. Let's all try our best to make it out to the shoot and maybe bring a friend with you as well. We have had a few new members lately, thanks to everyone for helping bring these new TMLRA members on board and a great big welcome to those new additions to the TMLRA family.

We lost two of our long standing members recently. Shirle and Rex were an important part of our organization for many years. Both had made great contributions in the past, not only serving on the TMLRA board but also influencing and mentoring many other shooters over the years. They were great folks, I am honored to have known them and to have shot alongside of them. If you have any stories or photos of Shirle or Rex that you would like to share with everyone, please forward them to me at my email sumhowme2@yahoo.com, I will be uploading your stories and pictures on the tmlra.com website so that we can all pay tribute to these truly great folks whom we miss so much.

Andy and Susy Larson both came away with the title at this years AMLGC silhouette shoot in La Coste, Texas. Weather conditions were not the best but Andy and Susy came out on top in the end. Congratulations to both for a job well done.

Andy Larson is not one to toot his own horn about his accomplishments but he is an amazing shooter. He is an accomplished shooter who has mastered pistol, shotgun, offhand rifle (flintlock), bench rifle, and lots more. Andy has won many honors and is a National Champion having won the numerous National Matches not the least of which is the prestigious Maxine Moss Event in 96, 99, 02, 03, 04, 05, 06, and 08. We are proud to have him represent the great state of Texas and especially the TMLRA. Keep it up Andy!

TMLRA Website!

We continue to receive more and more material for the website, thanks to everyone who has sent in photos and write-ups to us. With your continued support it will become a fantastic place on the internet that we can all be proud of. If you have any ideas about what you would like to see on the tmlra website, please let me know. Remember that the tmlra website is like our huge family album and all of our members are encouraged to submit their photos and stories that they would like to see on the site. **This is also a fantastic place to direct new and prospective members who would like to know more about what the TMLRA is all about. It is great advertising for our organization.**

We still need stories from yall about how you knew the Judge or photos that you would like to share of him. I

am trying to copy all of the stuff that Durrel Haynes has given to me in regards to the Judge whom he knew very well. Durrel was kind enough to give the TMLRA some archives he had and also to loan us some other stuff for us to copy about our history and things about the Judge in particular. I would like to thank Durrel Haynes, Mel Weaver, Scott Somers, Charlie Greenway, Leighton Stallones and all of the others who have contributed photos and archives to make the website what it is thus far.

Remember this site is for the TMLRA members and all should feel like they are contributors so please send in your photos and stories to me at sumhowme2@yahoo.com or to Toney Urban, PO Box 33, Freer, Texas 78357.

A Reminder About The Camping Fee\$ From Now On

The TMLRA will **NOT** be collecting any camping fees. You will have to pay your camping fees at the store from now on. The fees for right now are \$20.00 a night for campers and Free to all who stay in tents

Look forward to seeing yall in June and until then, stay safe and take care.
